

Floors E and F of the block have the same number of flats.	The flats are arranged so they fit exactly on top of or below another flat.
There are half a dozen flats on Floor C.	The block of flats has six storeys.
There are ten flats on the ground floor.	Floors B, C and D have the same number of flats.
The flats on every floor are arranged in rectangles with one side two flats long.	There are fewer flats on the higher floors.
All the Cubies know each other.	The bins are emptied on a Wednesday.

<p>Cubies love symmetry so their block of flats is symmetrical.</p>	<p>The two flats on Floor F have the best views.</p>
<p>The block of flats has no holes in the middle – the staircase goes around the outside of the block.</p>	<p>Floor F Floor E Floor D Floor C Floor B Floor A</p>
<p>The smallest Cubie family is just two Cubies.</p>	<p>Families of three Cubies only live on Floors B, D and F.</p>
<p>There are nine families of three Cubies.</p>	<p>There are two couples with no children living in the block of flats.</p>
<p>There are twelve Cubie families with two adults and two children.</p>	<p>There are four Cubie families of two Cubies.</p>

<p>There are half as many families of five Cubies as there are families of four Cubies.</p>	<p>Only one family lives in each of the flats.</p>
<p>Cubie families of four all live on the lowest four floors.</p>	<p>Half the families of four live on Floor A.</p>
<p>Half as many families of four live on Floor B as Floor A.</p>	<p>On Floor B there are the same number of families of three and families of four.</p>
<p>Only one family of four Cubies lives on Floor D.</p>	<p>Every flat on Floor F is home to a family of three Cubies.</p>
<p>The only family of six lives on Floor E along with one of the families of five Cubies.</p>	<p>Only two of the families of five Cubies don't live on the lowest floor.</p>

<p>All the families of two Cubies live on the same floor.</p>	<p>Cubies' homes are all cube shaped.</p>
<p>Because the island is very small and Cubies like to live together, they have built their flats into one block.</p>	<p>On sunny days Cubies sit on the sand outside.</p>
<p>Cuba and Cubu are Cubie children who live in the block of 32 flats.</p>	<p>Cubies are called Cubies because they love cubes.</p>
<p>Cubies are a race of tiny people who live on a small island in the middle of the Indian Ocean.</p>	<p>All Cubies' homes are the same size no matter how big the family.</p>
